THE THING IS, I WAS NOTHING BUT A KID WHO SAW JUST SHOULD UP

AND SHE DIED. SHE WAS DOWN WITH A CONCUSSION.....

IT WAS ALL MY FAULT. I WAS SO SCARED I COULDN'T MOVE A MUSCLE. I COULDN'T EVEN GET HER HOME.....

BEFORE I COULD SAY ANYTHING SHE JUST CAME UP HERE.....

.....

IT'S ALRIGHT. DON'T WORRY ABOUT IT.

ANYWAY, YOU SHOULD GET BACK HOME.

WHY?

...IT'S OK.

YOU SHOULD, IT'S BETTER LATER.

AND I DON'T THINK YOUR CONDITION IS GOOD, EITHER.

LET'S CONTACT YOUR PARENTS.....

DON'T!

I'M OK NOW!

BUHAN, WHAT WOULD HE DO WITH STRONG FIGHTERS AGAIN.....

EH, BY LEAVE HIM ALONE, HE'S HEAL.

HE...CAN BE USED? BUHAN IS RED HOOD?

HOOD? NOW, WHAT'S THAT?

EVELYN, WHO SHE IS ON THE WAY?

WHAT DO I DO?

STRONG FIGHTERS

WHAT?

FOR THE FUTURES HAVING SHARP MEN TO A HOTEL!
THE MAN WHO'S SPEAKING AT DOORSTEP IS HEAD STRANGE TO THE SUPERNATURAL SYSTEM.
HE'S STRONG!...?
THE MAN NEXT TO YOU?
AH, I FORGOT TO INTRODUCE HIM.
HE'S MY PARTNER.
MY NAME'S EVAN.
SOPHIE, I THINK THEY'RE HERE TO INTERVIEW...
EVAN, JUST TELL HE WHAT'S GOING ON!
WHAT ARE YOU GOING TO TELL US, EXACTLY?
.....
DIDN'T YOU TELL THIS...UNTIL SOPHIE?
I'M ABOUT TO.
WHAT ARE YOU TALKING ABOUT?
THE CASE THAT'S HAPPENING IN KOREA.
WHAT MADE YOU FOUND OUT OF THE INTERESTED LATE?
DID YOU FIND OUT WITH WHO GETTING THE CASE?
HEY... WHAT ARE YOU TALKING ABOUT?
YOU SOUND LIKE YOU ALREADY KNOW WHAT'S HAPPENING.
I SHOULD INTRODUCE HIMSELF PROPERLY.
MY NAME IS BUHAN KANG FROM AMERICAN FEDERAL DEPARTMENT.
WE WERE INVESTIGATING THE SUPERNATURAL CASE AT THE FEDERAL DEPARTMENT.
AMERICA'S FEDERAL DEPARTMENT...?
FBI?
BUHAN SAID, HE'S HERE TO STOP THE GANG IN KOREA?
...?
WHAT...
NO, I'M NOT GOING.

RAW CROSSING

FBI..?

AND WHERE'S THE SUNGJAE GUY?

SUNGJAE IS THE CASE'S NAME.

THINGS LIKE THIS HAPPENED IN AMERICA TO, HELL?

THERE'S THAT UNDERSTANDING AND CONFIDENCE IN DON'T BE SURPRISED. I'M RIGHT MONTHS!

RETURNING FROM NEW JERSEY AND FLIPPIN' 22 DAYS...

AFTER THE FIRST CASE, WE WERE ASSIGNED TO LOOK INTO THE CASE.

IT TOOK US THREE MONTHS TO FIGURE OUT IF IT WAS SOMETHING TO DO WITH SUPERNATURAL BEINGS!

IT TOOK ANOTHER EIGHT MONTHS TO CONFIRM THEIR ASSOCIATIVES.

BUT THEY DISAPPEARED BEFORE WE COULD ARREST THE MASTERMIND.

FBI INVESTIGATED WITH SUPERNATURAL THINGS?

.....

HOW DO YOU KNOW ABOUT YOU WATCH TV TOO?

KOH HAS JUST KIDDING

MR. PARK BECAUSE IT PROVES HIS INNOCENCE.

BUT AFTER LISTENING TO YOUR STORY, I'M NOT THE CORRECT, SO SUBSEQUENT CRIME OR SUSPICIOUS ACTIVITIES.

WE DIDN'T KNOW HOW TO START THE INVESTIGATION.

THEREFORE, WE DECIDED TO MAKE SUNGJAE AN ENEMY OF THE CASE!

HAPPEN TO KNOW...

WHAT'S FIRST CASE DETECTIVE KONG ON WITHOUT EITHER...?

THE CASE THAT HAPPENED ON THE MOUNTAIN.

IT WAS VERY DIFFICULT INTERVIEW TO TRY ONE THAT HAPPENED IN THE PAST.

I NEVER THOUGHT THAT THE CHILD CRIED FROM THE BEACH IS ADOPTED....

IF IT WASN'T FOR THE WEIRD ADOPTION LEGAL, I NEVER WOULD HAVE KNOWN!

WHAT A COINCIDENCE!

WHAT DO THOSE MONSTERS DO?

WE HAVEN'T BEEN ABLE TO FIND OUT.

A POLITICAL MINISTER WAS MURDERED!

WHAT DO THEY WANT.....

THE CASE IS DIFFICULT AND WE CAN'T EVEN GUESS WHO THE TRUE MURDERER WAS FOR TOO MONTHS.

WE HAVEN'T BEEN ABLE TO GET OUR ANYTHING.

THEY ALWAYS MAKE SOME TO MAKE INCONVENIENTLY PUBLIC!

THAT'S THE ONLY THING WE'VE BEEN ABLE TO CONFIRM.

THEY WEREN'T EVEN NAMED THEMSELVES.

THEY WERE/ARE REFERS TO MONSTERS AS WE US.

SO WE NAMED THEM SUNGJAE.

AH, ONE MORE THING...

THAT'S ENOUGH, KENNY SUNGJ

DO YOU UNDERSTAND?

WHAT'S THE PERFECT DETECTIVE LIE?

DO YOU STILL SUSPECT ME?

...IT'S A LITTLE DIFFICULT TO ADJUST, BUT UNDERSTAND.

MAY WE YOU WANT TO HANG HERE WITH ME?

YOU'RE A SPIRITUAL USER! WHEN A DETECTIVE WITH SPIRITUAL PEOPLE MET WITH THAT CONFRONTATION.

THEN WHY DIDN'T YOU TELL ME BEFORE WE FIRST MET?

.....

I WANT TO BE CAUTIOUS.

AND THERE WAS SOMETHING.

THAT WAS BOTHERING ME.

IT WAS SOMEONE WITH MUCH THESE SPIRITS LIKE THAT.

DETECTIVE KANG IS IN TOO DEEP. I NEED TO FIND KANG OTOH AND THESE PEOPLE....

IF IT'S A GROUP THAT HEARD THESE ANY SPIRITS AND THOSE TOO

DO THEY HAVE TO KONGS BECAUSE THEY HAVE SOMEONE DANGER TO APPROACH?

BY ALL THE COUNTRIES OUT THERE, WHY KONGS...?

WHAT DO THEY WANT OUT OF HARMING THE SPIRITS LIKE THAT?

THEY CONTROL SOMETHING LIKE POWERS I DON'T UNDERSTAND.

IF DETECTIVE KANG IS A PROBLEM, DOES THAT MEAN THEY KING OF POWERS, TOO?

PSYCHIC... SPIRITS... YOU THINK, DO?

HE, TOO.....

My power, what is it?

I JUST REMEMBER THAT I INHERITED MY GRANDMOTHER'S POWERS.

BUT I'VE NEVER SEEN MY GRANDMOTHER USE POWERS LIKE THESE.

NO. GRANDMOTHER NEVER EVEN LET ME TOUCH THE STRANGE KINDS.

THERE COULD BE SOMETHING THAT I DON'T KNOW ABOUT

LET'S NOT THINK THESE USELESS THINGS NOW. I JUST NEED TO THINK ABOUT THE CASE.

WHAT WOULD GRANDMOTHER'S FINAL WORD?

GRANDMOTHER.....

To Lavan here. I can't go into Sang's hunt for the Ghosts. Investigation team might be a good idea.
I need to find out more.
Here just found a team turned up dead.
Sang!
In your room.
That person might be there.

Hmm!! Is it Master?
Hmm! Are they going home?
Ah... I saw the news about yesterday's Ghost Attack. I'm not sure if it was Sang, but I think he...
You are very interesting Kam Baram!

Kamaal Pavuce has been missing. The Company wants Returned to the Crime Scene.
You haven't seen anything like this before, Hoshiyo! Memory's Fragment! The Mi Sin Dynasty!

Hey Master, what's yesterday?
That's right! You're Grave!
Kam Baram, how do you have so many Memory Fragments?
Because of that I'm too busy with my own work to help you.
Mm, I'm Mi Sin Dynasty!
Ah! That Symbol! Kam Baram! A Sky Person!
Are you going to? It's Punishment!

Mm, Memory's Fragment... Hm, S Mind in Control... Detective Kit! Search for Ghosts Nearby!
Look at me properly!
Can't you feel my Innocent Soul?
Wow it looks so real to look like a human!
Usually those who can see ghosts are born with that ability.
Wow! It's not like he did a Sin Mi Ah...

So...
Hm, S Mind has a weird membership?
Who's a special case.
Sin, Earth Single Person Company.
Dawn it...
Wait stop saying membership membership! What is it, it's Sin!?

I see...
You're investigating Ghosts? Isn't something like that a job for a Sixth Sense Detective?
So you're seen doing weird things, Hoshiyo. Humph!
It's weird, not clever.
If the ghost is tipping it in its favor, it's not haunting, it's detective kit sold.
That could mean that it's dealing a place like this.

Sin? Agent Baram has been investigated to see if there's any of things to do with him?
Sang! Any Thing?
Nah, not yet...
Because it's seen a ghost, I came to find a link that can be attributed.
But didn't those guys from yesterday also have the ghosts?
You can move to the room right now.

Right, those guys were in all connection, starts now.
Just let them open their face, and then they opened into two...
Hmm. You really act like a criminal.

But is they come to us because they has law that?
Don't those guys chase them?
This small world is not only with them and their doors.

If those guys act to help the spirits, they might work left and right. Maybe we'll release for that ghost's memory.
Instead of doing that, I would think we should kill them everything.
Hmm!

That's right, you saw you were the two who found the ghosts well.
Type Membership?
Kam Baram has many Memberships?
Ah! Membership... Hm, S Mind in control... Detective Kit! Search for Ghosts nearby!
Wow it looks so real to look like a human!
Usually those who can see ghosts are born with that ability.
Wow! It's not like he did a Sin Mi Ah...

Sin, Earth Single Person Company.
I thought this was some kind of Sixth Sense...
Dawn it...
I admitted to be a member right after yesterday. And the words don't sound right...

Oh~ Kim Berver kid was a member of Shinhan Trinity Division!

Superhuman Investigation Department

I'm going to confirm it so don't fail to me!

National Police Agency

Bang

It's throbbing with pain....

Maybe I should go back to the hospital in the morning.

Ding

.....!

Oh! My detective lee.

You look traumatized.

Is your head hurt? It looks as if you were involved in a huge accident yesterday.

...It's fine.

If that's the case, there's good news and bad news about the operation, Yuna?

Ah. It's throbbing again!

I don't think it's something to think about pain too long.

At least for today I have a case from the Seoul Police Team.....

...Seoul Police?

Then you should not worry about pain. Go to the Seoul Police Team!

Oh Inchul Lee. We cannot think about working in this condition. Let's go to the Seoul Police Team.

Even so, up the case that I'm in charge of first?

Also, I'm not in a position to just up and drop things I have to.

Nothing goes well. Come on and stop worrying about that.

You're not looking at getting fired, but you're going to be transferred to the Detective Division.

Yeah, I suppose. Hey Kwang-Hee, go release Dark Theories.

What do you say?

Are Darkness Operators who possess it who?

It is a common term in the work place.

If you refuse it, you'll be out. Do you want to go that?

Uh.....

But you should have warned me first before you attack!

Yes?

What.....

What type of woman is she.....

Detective Kang Yeo-Wha.....

No one use a weapon!

Sure. Don't even you attack us, ok?

That voice....

Is Detective Kane up to trouble with Ben Song Mi right now...

경찰청 헤게모트

Should we go get ben song?

What?

We can't! Plus, I like him a little, so don't!

Why? They say to stalk all of your friends...

Come here for a second.

?

What, Detective Kane?

?

Ben Song Mi, what are you doing?

Sir, let's see what Ben Song Mi's reasons are.

What? Do you of Detective Lotion?

What do I do?

It's obvious if you're Detective Kane.

Detective Kane. At least let me tell Ben Song Mi later, myself.

It doesn't matter. But why?

No matter the circumstances, if I'm with Detective Kane, I should tell him.

It's not like I don't know the situation and the term is in, and there's no need to hurry it.

Hm...

It's not that you were both too mature for your age...

Think what you like :(

Now that I think about it, what's the deal with Detective Kane's stance?

Are you going to continue working with him?

Truthfully, Her term is not supposed person.

It's fine. I'll go investigate it myself. I don't wanna bother you.

But I think I'll be helping out Detective Kane.

I'll just ask you one thing

Is you the ex-Police CO, Ki Hyun Do, Homosexuality investigator?

I'm not sure.

I wasn't known him for that long either, so I don't see him quite the way on the other.

Shit...

He's probably not a bad person.

Not a bad person....

You're more of a rounded person than I thought... Detective Sue. I expected you to be more cold.

This is no good. I cannot go on getting him involved in my personal affairs. Let's

Self-consciousness! I feel like my heart is full of this person!

You can't, Shin!

Kay Chol Dong's disappointment is at last half!

What disappointment? Who's Kay Chol Dong? Investigation?

That's why our cases were stolen.

Ah, don't even say it. I'm so frustrated about it, really!

But it wouldn't have this frustration going on if you hadn't been so careless during the case. Please work the case right to the end. Then you'll get better because of this frustration!

Argh

Argh... Our team needs to solve this case!

But with everyone else's help. A piece of shit, it's driving me crazy.

Ben Song Mi, I don't know what's going on with Kay Chol Dong.

Shall we ask Detective Kane or something?

!

Kay Chol Dong...

I had forgotten that.

It's been such a long time.

What does he do? Getting a shot? Don't tell me he's in love with Ben Song Mi...

I don't want to remember, because it was so messed up.

Ben Song Mi, I'll tell you the real name of the Kay Chol Dong's case.

My mouth moved! Why?! Why!

...!

That man...!

Disappear

END CROSSING

Si Mun-
Si Mun Lee~
Where are you~? We have to go~
Huh?
Who's not here, where's he go?
Hey, Si Mun Lee!
Mommy!
Dang.....
What did he run for?
You going to go?
Where do Si Mun run to?
Excuse me?? I'm not scared!
Where did that kid go?
Slam!
Omg!
If you find Si Mun Lee, tell him to come see his Papa right away!
Yes sir! I will finding your orders immediately!
Pssh...
What is he saying this?
What do Si Mun say...
Huh?
Shit, man.
Me should throw him out? Or maybe I have to take one...
.....
Why is she talking about nonsense all of a sudden...
Huh?
That angry face, she's afraid of me.
Ah, yes.
Doesn't it bother you?
Excuse me?
Eh, why such a serious face? Don't you think we'll cause some misunderstanding?
.....
Ahem

Ban Jong Na, how long have you been in the Narcotics Squad's headquarters ?
Was it just a pretty random case and there's a reason we are here?
It might have been because there was no need to mention it
It seems like Ban Jong Na thinks to hard and complicated
Are you covering for him because he's the leader of your team?
Detective Kang
You have to investigate objectively
.....
Then, Detective Kang, what do you think of Ban Jong Na?
Not necessarily objective. But I trust Mr. Lee, don't you have questions, too?
Well, there are many reasons why a person would want to hide their past, and not all of them are for bad things.
Tick
Tock
What is he going? They're wants to hide about doing a part of the past? Is he such a sly chap?
A past he doesn't want to talk about.....
Ban Jong Na..... What exactly happened back then..?
Detective Lee
Yup?
The atmosphere is too dark.
Excuse me?
I was very relaxed today, my mail's not harmless.
It's depressing, outs there.
.....

Ah sorry, but I don't remember what you're trying to say.....

Huh? You don't understand?

Uhm. It might seem long since we switched into this world.....

Oh, really?

Uhmm. . .

It's quite awkward.....

Ah. Yes

When you're walking around you see a lot of weird, see-through spirits, right?

That's what spirits usually look like

Those spirits who don't deal with their death or have unsolved problems

Don't leave this life until they are satisfied. And they wander around until they rest.

But there's problems? Wandering around in this life.....

Most people think but by themselves and have with it to them time

Through something a mischievous spirit will scare thinking.

Wow, that's still pretty tame in comparison

Ah.....

Short version!

That's why those ghosts back then...

Long story

In comparison to dangerous ghosts, like the man we saw earlier,

You have to be careful of spirits that have a clouded mind, compared to those that are other spirits.

Why? Is there something different?

Uhm...

How should I say this...

Spirits...

Ah, yes. They are through mental power

The stronger their mental power on their will power, the stronger their form becomes.

The way that word appearance and clash and strong.

It means that we are that more powerful

Or angry towards something in this life

The longer the emotion continuing the spirit is, the more likely it is to become dangerous so you have to be more careful.

Weren't most of your cases like this, Detective Lee?

...Ah.

Yes . That's right.

Do not sure how to explain this in the Korean culture

Did you understand it some?

.....

Yes. Thank you very much for this to me.

No problem.

I thought you were an Japanese person, but I guess they don't so

No.

I know so little that I was beautified by a child

Ah, that blue-haired kid?

Friend, he seems to be pretty intelligent

Don't you mind someone to tease you this stuff?

Yeah, grandmother?

Not really. I don't mind these things when I was younger.

Also, my grandmother said she's also afraid of me growing in the family tree and don't trust me anything.

Hmm. It must have been frustrating

Maybe, if I knew, I would try at like this, I should have don't dreams and made her touch me then

I don't know what anything is.....

Smile

...?

Oh no, did you just make a joke? how funny!

No, not really.....

It's nice seeing you smile.

Loosen up a bit.

Relaxed!

If there is anything else that you don't understand, ask me anything.

If I'm we're going to work together, wouldn't it be nice to work in a comfy space?

We are on the same team now, right?

Ah, it's freezing instilling.

.....

Like Mr. Kinko..... Are all foreigners like them?

...She is an really friendly woman.

At first she seemed similar to Grandmother.

But I look at her now, and she is totally different.

Wow!

She is really pretty.....

Confrontation & Fate Of Seneal

Kay Cheol Sung has stepped in his.

And it does from losing too much blood.

I slept for a long time after dying.

He is dead in mysterious way of the blue city of Lee's apartments, Kay Cheol Sung.

Then, suddenly,

I opened my eyes as if something woke me.

What? Where I was? I remember I died.

You woke up after 12 years?

12 years.....?

He wondered around after dying and just regained his senses.....

Then Jung Ji Chul ?

Why do we suddenly wake up?

Hey, Jung Ji Chul!

Let's go to the place where we used to hang out.

Oh, you know, after 12 years, I'm still alive.
